Blood Donation Camp: Organized a successful blood donation camp, collecting units of blood from voluntary donors.

HIV/AIDS Awareness Programs: Conducted awareness sessions, rallies, and quizzes to educate students about HIV/AIDS prevention and control.

Substance Abuse Prevention: Organized workshops and lectures to sensitize students about the dangers of substance abuse.

Health and Hygiene: Conducted programs promoting health, hygiene, and sanitation practices among students.

III. Achievements

Successfully collected **112** units of blood through the blood donation camp.

Reached out to students through awareness programs, promoting HIV/AIDS prevention and substance abuse control.

Encouraged students to adopt healthy lifestyles and practices.

IV. Outcomes of Red Ribbon Club:

1. Increased awareness about HIV/AIDS, substance abuse, and other risky behaviors among students.
2. Improved knowledge and attitudes towards HIV/AIDS prevention and control.
3. Enhanced life skills and decision-making abilities among students.
4. Promotion of voluntary blood donation and increased blood donation rates.
5. Reduced stigma and discrimination against people living with HIV/AIDS.
6. Encouragement of healthy lifestyles and practices among students.
7. Development of leadership and advocacy skills among club members.
8. Strengthened partnerships with local organizations and health services.
9. Improved access to HIV testing, counseling, and treatment services.
10. Contribution to achieving global goals: SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education).

V. Future Plans

Expand awareness programs to reach more students.

Collaborate with local organizations for resource mobilization.

Organize more blood donation camps.

Integrate health and hygiene programs into the college curriculum.

VI. Conclusion

The Red Ribbon Club in CSTS Government Kalasala, Jangareddigudem, has made significant strides in promoting awareness and education about critical health issues. Continued efforts will further strengthen the club's impact on students' lives.
