WORLD WATER DAY

ON

MARCH 22nd 2024

CSTS GOVERNMENT KALASALA

WORLD WATER DAY

Today, on March 22, 2024, a World Water Day program was held under the auspices of the Department of Botany at C.S.T.S. Government Degree College, Jangareddygudem. Dr. N Prasad Babu, the college principal, served as the presiding officer for this event. During the program, the college principal emphasized the importance of celebrating World Water Day and highlighted water scarcity as one of the primary challenges faced by countries worldwide. He stressed that water conservation efforts, such as harvesting rainwater during the monsoon season, are essential to prevent a depletion of groundwater resources, which could lead to dire consequences for humanity.

Mrs. T Jhansi Rani, a Botany Lecturer at the college, also addressed the gathering, emphasizing the crucial connection between water and vegetation. She explained that without water, plants cannot survive, and without trees, the atmosphere becomes polluted, impacting rainfall patterns. As part of the program, watering cans were arranged on the trees within the college premises to provide drinking water for birds.

Additionally, Dr. M. Madhu, the IQAC coordinator, U. Venkatacharyulu, a faculty member of Chemistry, Dr. CH. Badri Narayana, a mathematics faculty member, Mrs. Vijaya Deepika, a Zoology Lecturer, along with other teaching and non-teaching staff, and students participated in the event.

MINUTES OF THE PROGRAM
