2023-24

Field Trip Report

Name of the student :- Sk. Basheera.

Class and Group :- B.Com 1st year (CA)

Place of the field trip :- Nava Bharat
Jangareddy
gudem.

Date of the field trip :- 12/2023

On the field trip learned :-

I learned how Palm oil is made. I learned how to recycle water without wasting. After Purifying the waste water, its Palm fruit is Boiling.

Navabharat Limited

Navabharat Limited was founded on 3rd December 1992 in the southern state of Andhra Pradesh. It is an agribusiness that has evolved from focusing on Palm Plantation to becoming an edible oil refining Company, with interests in planting, crushing, refining and retailing Palm oil.

Navabharat has a built-in capacity to Process 850 metric tons of edible oil per day and sells most of it to over 150 customers in two states

Over the last five years, we have invested in growth, migrating from a business-to-business bulk Processing operation to retailing in Maharashtra, Andhra Pradesh and Telengana with the vision to expand to other markets. We are currently focused on expanding our presence in the refined oil consumer business.

Oils

Palmolein
superolein

RBD Stearin (25-40lv)

Palm Fatty Acids (PFAD)

Crude Palm Kernel oil (CPKO)

Bulk sales :-

NBL has the capacity to produce 1.20 L MT of refined Palm oil Per annum. We currently supply to Andhra, Telangana, Orissa, Karnataka, Tamil Nadu, Maharashtra.

Large Farmer Community :- NBL works closely with a farming community of over 10000 farmers west Godavari in Andhra Pradesh.

Solids :-

Palm kernel Deoiled cake
Dried solid cattle feed
EFD shredded fiber.

Zero waste initiative :- NBL is committed to sustainability. Our process have led to zero wastage at the factory. we invested in technology to reuse 100% of the effluent that we.

NBL at a glance :-

Two decades ago, we started operations with a few hundred acres and 20-25 farmers. Today, we work with a network of over 15K farmers and grow Palm on 58K acres.

Employees :- 900 above in this industry.

Farmers :- 10,000 above farmers in industry.

Acres :- Area of farm under operations (Acres)
50,000 above in this industry.

Turnover :- 1,500 Crd in this yearly Turnover.

Distributors :- 400 above distributions in this industry.
