Actions Taken Report for Student Feedback, 2021-22

Additional workshops and training sessions for faculty on syllabus planning and time management to ensure comprehensive coverage of the syllabus were conducted. Communication skills workshops for faculty to enhance clarity and effectiveness in teaching were held. Investment in modern teaching aids and training for faculty on their effective use were made. Introduction of interactive digital tools and resources were arranged. Regular curriculum updates and inclusion of recent advancements in course materials given. Faculty was encouraged to attend conferences and workshops to stay updated with the latest trends. The faculties were encouraged the use of varied teaching methods through faculty development programs. Seminars, Q&A sessions, and group discussions as regular classroom activities were organized. The College established partnerships with industries and organizations for field visits. The college scheduled regular invited lectures from industry experts and scholars to provide students with practical insights and exposure. The feedback from students has been instrumental in identifying areas of strength and those needing improvement. The actions taken aim to enhance the overall teaching and learning experience, ensuring that students receive a comprehensive education.
