Parents' Feedback -Year 2022-23

Action Taken Report

Regular maintenance and up gradation of the facilities was made. Amenities were enhanced to ensure a better environment for students. Extracurricular activities were conducted and development programs were diversified regularly. Additional support for students' academic and personal growth was provided. High standards of hostel facilities were put place. Specific concerns through regular feedback from students were looked into. The number of career counseling sessions and industry interactions were increased. More workshops and seminars on career planning and skills development were conducted. The Faculty was given training to adopt more approachable and supportive. The accessibility of authorities through regular office hours and feedback sessions was enhanced. Responses to queries from parents and students were given. A more robust and frequent communication system was implemented to update parents on their children's performance. Digital platforms to provide regular performance reports and updates were thoroughly utilized.
