The department of economics has been curious to disseminate financial literacy among the student community in and around jangareddigudem and henceforth entered into an MOU with National Institute of Securities Markets NISM, Mumbai recently.

This MOU further provides a good opportunity for the college also to host various NISM certification courses and act as **TEST CENTRE** with monetary benefit for the staff and college. This would help the department of economics further as a **revenue earning proposition.**

In continuation of the above philosophy, NISM was kind enough to implement the MOU by permitting the students to access the free study material on FINANCIAL LITERACY and various NISM certification programmes.

Amidst this scenario, students of B.A. ECONOMICS were happy to download the given study material for their academic benefit. The B.A. and B.Com students participated in the process and could download valuable **PERSONAL FINANCE STUDY MATERIAL** free of cost.
